

A letter from Rich (President of CPMV, 2008 and 2009):

**By now you may have heard the exciting news. CPMV has a new President, Elizabeth Bauer and a new addition to the board, Kathryn Ruud.**

Randy, Elizabeth and I formed CPMV in January of 2008 to protect the quality of life in our community. From the beginning, the CPMV was intended to be a community effort and not just the effort of one person or a small group of people. We wrote the CPMV bylaws to ensure an orderly transition of leadership that would encourage the participation of our entire community. As a result, my term as president has run its course and it is now time for change.

I am pleased to announce that my two-year term as president of CPMV is complete. I am encouraged by the experience and talent of the current board of the CPMV, particularly with the strong leadership for 2010 of Elizabeth Bauer (President) and Brian Kurtyka (Vice-President). During this change, it is time for others in the community to step up and support CPMV's initiatives.

You already know that Dominion Transmission (DTI) owns 135 acres of land on Marker Road in the serene, agricultural and historical Middletown Valley. I feel confident in stating the following:

1. Dominion did not purchase this land to farm or preserve.
2. DTI still plans to build an industrial facility on this historic property within the next few years.
3. Most DTI facilities start with a smaller footprint, then grow and expand over time.
4. Dominion learned a lot about dealing with our community in 2008. The next time they will be faster and better prepared.
5. Dominion's hope is that the community becomes apathetic and unorganized.

**CPMV is YOUR organization. Please volunteer and/or donate TODAY!**

I appreciate that times are tough for many, but even a contribution of \$5 or \$10 will help support the CPMV's 2010 initiatives. **Dominion is counting on your apathy.** Send a message and support your community instead.

Rich
