Maryland Ensemble Theater
31 W Patrick Street
Downtown Frederick

IMAGINE! FREDERICK

A film series promoting economic, environmental and social sustainability

Join the community conversation...

As Frederick residents take a close at our quality of life both now and for future generations, there is a growing consensus that a sustainable community should be our vision and is within our reach. We at OURCommonWEalth are working together to understand our challenges and find ways to address them. The OCW **IMAGINE! Frederick** film series is a community educational program and will offer residents the venue to learn and discuss actions to move our community towards economic, environmental and social sustainability.

Please arrive at 7pm to meet sponsors and special guests. Each film screening is sponsored by a community business or organization, and their representatives will be on hand to answer questions and distribute information. The screenings will begin at 7:15 PM and will be followed by a discussion. Admission is free. Drinks and snacks available for purchase.

Ask us about borrowing one of these films for a group showing!

Thanks to our sponsors and partners for their generous support.
